

SERENA

SHARKEYA'S ECO-FRIENDLY RESILIENT EDUCATIONAL AREA

Sharkeya's eco-friendly resilient educational area (SERENA) is the first-ever eco-friendly sustainable Building constructed in the 10th of Ramadan industrial area, Implemented by the Italian Agency for Development Cooperation (AICS) through MEPEP Programme.

The Building is a landmark in Sharkeya and is one of the PVTD Vocational Training Centres Network all over Egypt. The Building should set a model for the region and Egypt and invite sustainable and green practices in the TVET sector.
